

REMARKS

In the Advisory Action, the Examiner noted that "Applicant changed the dependency of claim 10, thus changing the scope of the claim. The amended claim requires further consideration and/or search." Accordingly, Applicant submits this request for continued examination. In addition, Applicant has added Claim 12 which is similar to original Claim 1, now cancelled, but including additional limitations which Applicant believes distinguishes Claim 12 over the prior art of record.

In view of the foregoing, it is believed that all claims now pending, namely Claims 8-12, are in condition for allowance and such action is earnestly solicited at the earliest possible date. If there are any fees due in connection with the filing of this response, please charge those fees to our Deposit Account No. 02-2666. If a telephone interview would expedite the prosecution of this Application, the Examiner is invited to contact the undersigned at (310) 207-3800.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN
